

Truck Driver / Laborer / Operator

Jamestown Excavating is looking for a qualified Truck Driver/ Laborer / Operator to join our excavation team.

Position Open: 5/16/2017
Position Close: Open Until Filled
Salary: Dependent on Experience
Position: Full Time, Eligible for Benefits after 60 days
Location: Sequim, WA

Description:

Jamestown Excavating is accepting applications for a full-time, benefitted Equipment Operator/Driver/Laborer to provide excavating and truck driving services for residential and commercial clients. The position will operate a variety of light and heavy machinery for the purpose of excavating, and will drive vehicles that require a Class A Driver's License (CDL) to haul materials and equipment. The Operator/Driver/Laborer performs a number of other duties as required by the job, including: working as directed by supervisors and operators, running errands, maintaining a safe work environment, performing minor machine maintenance, cleaning and other tasks as required.

- Qualifications:**
- CPR Certification.
 - First Aid training.
 - Valid Washington State CDL - Class A required, Tanker Endorsement preferred.
 - Must be willing to assist other operators and provide labor as needed.
 - Ability to work flexible hours.
 - Experience with a variety of hand and power tools.
 - Good written and verbal communication skills.
 - Ability to follow instructions and prioritize workload.
 - Strong work ethic, demonstrate a willingness to learn.
 - Team-oriented attitude.
 - Pipe laying experience preferred.
 - American Indian/Alaska Native preferences apply.

Jamestown Excavating is a drug-free workplace.
